FAITES

EN FAVEUR DES INCENDIÉS

DU DIOCÈSE DE SENS,

Depuis le 1^er^. Juillet 1789, juſqu'au 31 Décembre *1790*

OBSERVATIONS.

MESSIEURS *les Curés voudront bien faire observer à leurs Paroissiens que les changemens ordonnés pour la nouvelle division des Diocèses ayant exigé que l'on fit la distribution de toute la recette de la présente année & du reliquat des années précédentes, il n'existe plus de fond de caisse.*

Si cet établissement qui a été bien accueilli jusqu'à présent, & dont on a éprouvé les grands avantages, doit subsister, Messieurs les Curés recevront de nouveaux avertissemens à tems.

On remarquera deux paroisses qui ont eu part à la distribution, quoiqu'elles n'aient pas contribué cette année à la quête; ce qui est absolument contraire aux réglemens, mais le bureau a cru devoir les traiter favorablement, parcequ'elles avoient contribué les années précédentes, & que les éclaircissemens qu'il a été dans le cas de se procurer lui ont paru suffisans dans les circonstances présentes, pour ne pas faire subir aux incendiés de ces paroisses toutes les rigueurs de la loi; il s'est contenté de ne pas leur accorder un traitement aussi considérable qu'aux autres.

Les particuliers compris dans la présente distribution viendront à Sens toucher les sommes qui leur sont accordées, chez M. de Chambertrand, en apportant un certificat de M. leur Curé.
